

## § 2001.25

as sufficient grounds to support a waiver.

(2) Any approved portion marking waiver will be temporary with specific expiration dates.

(3) Requests for portion marking waivers from elements of the Intelligence Community (to include pertinent elements of the Department of Defense) should include a statement of support from the Director of National Intelligence or his or her designee. Requests for portion marking waivers from elements of the Department of Defense (to include pertinent elements of the Intelligence Community) should include a statement of support from the Secretary of Defense or his or her designee. Requests for portion marking waivers from elements of the Department of Homeland Security should include a statement of support from the Secretary of Homeland Security or his or her designee.

(4) A document not portion marked, based on an ISOO-approved waiver, must contain a warning statement that it may not be used as a source for derivative classification.

(5) If a classified document that is not portion marked, based on an ISOO-approved waiver, is transmitted outside the originating organization, the document must be portion marked unless otherwise explicitly provided in the waiver approval.

(1) *Marking information that has been reclassified.* Specific information may only be reclassified if all the conditions of section 1.7(d) of the Order and its implementing directives have been met.

(1) When taking this action, an original classification authority must include the following markings on the information:

- (i) The level of classification;
- (ii) The identity, by name and position, or by personal identifier of the original classification authority;
- (iii) Declassification instructions;
- (iv) A concise reason for classification, including reference to the applicable classification category from section 1.4 of the Order; and
- (v) The date the reclassification action was taken.

(2) The original classification authority shall notify all known authorized holders of this action.

## 32 CFR Ch. XX (7–1–14 Edition)

(m) *Marking of electronic storage media.* Classified computer media such as USB sticks, hard drives, CD ROMs, and diskettes shall be marked to indicate the highest overall classification of the information contained within the media.

### § 2001.25 Declassification markings.

(a) *General.* A uniform security classification system requires that standard markings be applied to declassified information. Except in extraordinary circumstances, or as approved by the Director of ISOO, the marking of declassified information shall not deviate from the following prescribed formats. If declassification markings cannot be affixed to specific information or materials, the originator shall provide holders or recipients of the information with written instructions for marking the information. Markings shall be uniformly and conspicuously applied to leave no doubt about the declassified status of the information and who authorized the declassification.

(b) The following markings shall be applied to records, or copies of records, regardless of media:

- (1) The word, “Declassified;”
- (2) The identity of the declassification authority, by name and position, or by personal identifier, or the title and date of the declassification guide. If the identity of the declassification authority must be protected, a personal identifier may be used or the information may be retained in agency files.
- (3) The date of declassification; and
- (4) The overall classification markings that appear on the cover page or first page shall be lined with an “X” or straight line. An example might appear as:
